This erratum corrects (1) the year in the Abstract, and (2) the value in Table A.1 in the published version of the paper appearing in the Winter Issue of the *International Real Estate Review* (2019, Vol. 22, No. 4, (2019), 597-625). Specifically, in line 2 of the Abstract, the line should read “... declining since 2006” instead of “... declining since the 1990s”. In addition, in Table A.1 of the Appendix, the “3-room flat” monthly household income ceiling for 1994 should be “\$1000^e” and not “\$3000^e”. All online versions of this article have been corrected.
